

United Methodist Missionaries Need Your Support

The United Methodist Church sends more than 300 missionaries around the world to share the love of Christ through teaching and service.

The Barte family (#13985Z) left their home in the Philippines with their three young sons to help plant churches in Southeast Asia. **Rukang Chikomb** (#14959Z) saves lives by flying emergency patients to hospitals in Southern Congo. **The Nortons** (#3021340) moved to Haiti after college to minister and rebuild using economic development.

These and missionaries like them have given their lives to serve Christ and others through The United Methodist Church. But they need *you* to join them in mission!
