

UMCOR: God's love in action for all people

DISASTER RESPONSE

International Disaster Response

Responds to emergency and recovery needs around the world resulting from disasters, conflict, and migration.

US Disaster Response

Offers training, expertise, relief supplies, and funding through annual conference and UMC connections and a network of supply distribution centers.

Disaster Risk Reduction

Helps communities to identify and mitigate vulnerabilities before disasters happen.

Grants and Partner Support

Entities within UMCOR oversee grants to support emergency responses with partner organizations in a variety of areas, including international and US disasters, refugee ministries, community development, peacebuilding, and more.
