## 2017 TOOLKIT FOR MISSIONARIES

### UMC #GivingTuesday 2017 Toolkit for Missionaries

Dear Missionary:

#### CONNECT YOUR PASSION WITH GOD'S MISSION

The UMC #GivingTuesday theme for 2017 is "CONNECT YOUR PASSION WITH GOD'S MISSION."

As a missionary, you are vital to the ministry of The United Methodist Church. Every day, you connect your passion with God's mission to address the needs in the world today.

On Nov. 28, 2017, United Methodists will once again come together to support the work of Advance projects and missionaries on UMC #GivingTuesday.

Through UMC #GivingTuesday, churches and conferences combine Advent and Christmas seasonal giving with global mission and outreach opportunities. As a missionary supported through The Advance, you provide United Methodists and others with a way to build missional relationships through a channel they know and trust.

We are committed to supporting you through three phases of the UMC #GivingTuesday campaign.

### 1. Engage Your Supporters

Allow your ministry to inspire others to serve or give in their own, unique way. Use the time from Oct. 14 to Nov. 28 to be intentional in reaching out to individuals, churches, and teams that have a heart for your ministry, and ask them to give.

- Encourage supporters to form teams of youth groups, members, friends, family, etc., to raise awareness and build excitement around your ministry and UMC #GivingTuesday.
- Do you have a large donor who supports your program annually? Ask if faithful churches, conferences, or individuals would be willing to leverage their gift by offering to match online gifts made through your Advance number on UMC #GivingTuesday.
- Make a short video to introduce yourself and talk about your work.
- Include the UMC #GivingTuesday banner on your blog, newsletters, and Facebook page.
- Send postcards by mail or electronically with a photo of your mission in action.
- Set up an online video chat to make a direct connection with supporters.
- Use social media to post regular reminders that UMC #GivingTuesday is Nov. 28. For example:

## 2. Show Your Appreciation

Gifts to mission transform the giver and the recipient. In the weeks following UMC #GivingTuesday, find creative ways to thank your donors.

- Ask someone from your community to write a thank-you message on a Christmas card.
- Regularly post stories/photos/quotes of individuals whose lives have been transformed.
- Share personal reflections about the work that is happening in your mission field.

## 3. Share Your Story

Please share with us how UMC #GivingTuesday supports your work. We want to use these illustrations of life-transforming, world-changing ministry to encourage others to engage in mission.

## News on Donation Matches

The Advance remains committed to sustaining a strong foundation that allows projects and missionaries to build relationships and empower ministries. In the past, we were fortunate to offer matching funds to motivate giving. This year, while

matching funds will not be available, we remain confident that your generous supporters will continue their commitment to your ministry. To keep this momentum going, The Advance continues to allocate 100 percent of all giving to the designated project and missionary.
