A Success Story

One Million Dollar Matching Fund Campaign & Dallas North Central UMC

During the last quadrennium (2009-2012), major emphasis was placed on working in full partnership with Annual Conferences and General Program Agencies for developing Korean American new congregations. This collaborative financial partnership was most evident in the **\$1,000,000** Matching Fund Campaign for congregational development among the Korean American United Methodist churches, and it exceeded its goal.

One of the 22 congregations that were developed and supported by the plan was Dallas North Central UMC (North Texas Annual Conference). It was launched in 2011 with the pastoral leadership of Rev. Nak Hoon Cho. It has become a vital congregation that is growing and mission-centered. It is expected to become chartered and a self-supporting congregation in the near future.

Small Group Ministry Resource: **Longing to Meet You**
