**SAFETY OF CHILDREN AND YOUTH:**

**Global Ministries of The United Methodist Church seeks to assure the physical and sexual safety, emotional well-being, and spiritual health of children, youth, and adults. We require that all partner organizations ensure compliance with this standard.**

**For example:** How is abuse identified and defined? What is the mechanism for reporting abuse? How is physical abuse prevented? How is sexual abuse prevented? What measures do you have in place at all times when children, youth, or vulnerable adults are present?

**Safety Policy Examples:**

- a) We offer regular education opportunities to children, youth, and adults about how to recognize and reduce risks of abuse;
- b) We do background checks on all employees and volunteers for any position involving work with children or youth;
- c) We provide training and support to all employees and volunteers around the issue of sexual harassment;

Please include below your organization's policy guidelines regarding Safety of Children and Youth or, if you prefer, you can mail in a copy of your Policy (*if mailing in application via post office*) or attach (*if emailing the application*).
